

A notice of change of correspondence address in an application or registration must be signed by the applicant or registrant, someone with legal authority to bind the applicant or registrant (*e.g.*, a corporate officer or general partner of a partnership), or a practitioner qualified to practice under § 11.14 of this chapter, in accordance with the following guidelines:

(i) If the applicant or registrant is represented by a practitioner qualified to practice before the Office under § 11.14 of this chapter, the practitioner must sign; or

(ii) If the applicant or registrant is not represented by a practitioner qualified to practice before the Office under § 11.14, the individual applicant or registrant or someone with legal authority to bind the applicant or registrant (*e.g.*, a corporate officer or general partner of a partnership) must sign. In the case of joint applicants or joint registrants, all must sign.

(10) *Cover letters.* A person transmitting paper documents to the Office may sign a cover letter or transmittal letter. The Office neither requires cover letters nor questions the authority of a person who signs a communication that merely transmits paper documents.

(f) *Signature as certification.* The presentation to the Office (whether by signing, filing, submitting, or later advocating) of any document by any person, whether a practitioner or non-practitioner, constitutes a certification under § 11.18(b) of this chapter. Violations of § 11.18(b) of this chapter may jeopardize the validity of the application or registration, and may result in the imposition of sanctions under § 11.18(c) of this chapter. Any practitioner violating § 11.18(b) of this chapter may also be subject to disciplinary action. *See* §§ 10.23(c)(15) and 11.18(d) of this chapter.

(g) *Separate copies for separate files.* (1) Since each file must be complete in itself, a separate copy of every document to be filed in connection with a trademark application, registration, or inter partes proceeding must be furnished for each file to which the document pertains, even though the contents of the documents filed in multiple files may be identical.

(2) Parties should not file duplicate copies of correspondence in a single application, registration, or proceeding file, unless the Office requires the filing of duplicate copies. The Office may dispose of duplicate copies of correspondence.

(h) *Separate documents for separate branches of the Office.* Since different branches or sections of the Office may consider different matters, each distinct subject, inquiry or order must be contained in a separate document to avoid confusion and delay in answering correspondence.

(i) *Certified documents required by statute.* When a statute requires that a document be certified, a copy or facsimile transmission of the certification is not acceptable.
